VOTE

SCORECARD

111TH CONGRESS
January 2009 — August 2010

U.S. House of Representatives
and U.S. Senate

Distribution Partners AFA Action

Dear Voter and Friend of the Family:

You hold in your hands FRC Action and CitizenLink's Vote Scorecard for the first eighteen months of the 111th Congress. Normally this document would only cover one session of each Congress. However, since this Congress should go down in history for breaking all the rules, we felt the need to review the legislative priorities for the combined 111th Congress. With the historic inauguration of Democratic President Barack Obama, those in Congress looking to pursue an agenda hostile to the family were emboldened to pass their initiatives with little regard for legislative procedure or precedent.

The first few months of the 111th Congress brought "change" just as President Obama promised, though the form it took was probably not what many voters expected. Under the President's approving eye, Democratic Leadership in Congress moved quickly on legislation that sought to force taxpayers in the District of Columbia to pay for abortions and for needles for drug addicts; to give special recognition and treatment of homosexuals under the guise of "hate crime" legislation; and to increase funding for abortion giant, Planned Parenthood.

Internationally, House Speaker Nancy Pelosi (D-CA) and Senate Majority Leader Harry Reid (D-NV) sought to permanently allow for funding of organizations that promote or are complicit in coercive abortions and sterilizations, while also instructing the U.S. State Department to make promotion of homosexuality a top priority – not that the current Administration needed the incentive.

Despite many Administration nominees having troubled records, the Senate also moved quickly to confirm President Obama's top department officials and advisors. We were successful in blocking controversial nominees such as the rabidly pro-abortion Justice Department nominee, Dawn Johnson, and halting tax scofflaw, Tom Daschle, from taking over the Department of Health and Human Services (HHS). However, many radical nominees made it through the confirmation process, including the most pro-abortion HHS Secretary in history, Kathleen Sebelius, and two Supreme Court nominees. This success is attributed in large part to the filibuster-proof majority held by the President's party.

While other issues were being voted on, it was the health care issue, and the inevitable abortion funding if President Obama got his way, which took prominence. The enormity of the government takeover of health care is reflected in the unprecedented inclusion of 10 health care-related votes in this scorecard. While we saw the legislative process twisted when Senator Reid attached hate crimes to the unrelated Defense Department Authorization bill, it could not have prepared us for the questionable legislative shenanigans pulled by Democratic leaders in their Machiavellian drive to pass a health care package that included taxpayer funding of abortion, limitations on conscience, and the rationing of health care. While many Democrats and Republicans stayed true to their principles in opposing this move to use government funds to pay for abortions, the pro-abortion legislation passed after a number of legislators betrayed their pro-life roots (and campaign promises) and voted for the legislation.

This document looks at 16 votes in the House and 24 votes in the Senate from 2009 to the August 2010 recess. The votes recorded here are only part of our effort to protect the family. Only through your help as informed and active constituents working with us in contacting your Representatives and Senators on pro-family issues, can we defend traditional, pro-family policies in Washington. There is no greater asset in the battle to preserve the American family than an involved citizenry. Thank you for joining us in our defense of the family. We cannot do it without you.

Please contact the Government Affairs office of Family Research Council Action for questions about the Scorecard.

1. Expanding Hate Crimes Definitions

Offered by Rep. John Conyers (D-MI), the Local Law Enforcement Hate Crimes Prevention Act of 2009 (H.R. 1913) would establish federal "hate crimes" for certain violent acts based on actual or perceived race, religion, disability, gender identity or sexual orientation of any person.

FRC Action and CitizenLink Opposed this Bill.

Offered by Rep. Mark Souder (R-IN), this amendment (H.AMDT. 387) to the Labor, Health and Human Services and Education Appropriations Act, 2010 (H.R. 3293) would prohibit funding for any program which distributes sterile needles or syringes for the hypodermic injection of any illegal drug.

(Failed 7/24/2009, 211 yeas to 218 nays, Roll Call No. 642)

FRC Action and CitizenLink Supported this Amendment.

Sponsored by Rep. Mike Pence (R-IN), this amendment (H.AMDT. 389) to the Labor, Health and Human Services and Education Appropriations Act, 2010 (H.R. 3293) would have restricted federal funding for abortion by withholding from Planned Parenthood any of the \$317 million for Title X family planning services.

(Failed 7/24/2009, 183 yeas to 247 nays, Roll Call No. 643)

FRC Action and CitizenLink Supported this Amendment.

7. Motion to Instruct on Hate Crimes

Sponsored by Rep. Randy Forbes (R-VA), the “motion to instruct” offered to the National Defense Authorization Act, 2010 (H.R. 2647) would instruct House conferees to negotiate against the hate crimes provision in the conference report that would establish federal “hate crimes” for certain violent acts based on the actual or perceived race, religion, disability, gender identity or sexual orientation of any person.

(Failed 10/6/2009, 178 yeas to 234 nays, Roll Call No. 754)

FRC Action and CitizenLink Supported this Motion.

8. Federal Hate Crimes Provision

Sponsored by Rep. Ike Skelton (D-MO), the conference report on the National Defense Authorization Act, 2010 (H.R. 2647) contained a provision to establish federal “hate crimes” for certain violent acts based on the actual or perceived race, religion, disability, gender identity or sexual orientation of any person.

(Passed 10/8/2009, 281 yeas to 146 nays, Roll Call No. 770)

FRC Action and CitizenLink Opposed this Bill.

9. Prohibiting Federal Funding for Abortion in Health Care

Sponsored by Rep. Bart Stupak (D-MI) and Rep. Joe Pitts (R-PA), this amendment (H.AMDT. 509) to the Affordable Health Care for America Act (H.R. 3962) would prohibit federal funding for elective abortions and funding for health care plans that include abortion coverage.

(Passed 11/7/2009, 240 yeas to 194 nays, Roll Call No. 884)

FRC Action and CitizenLink Supported this Amendment.

10. Conference Report on Consolidated Appropriations Act, 2010

Offered by Rep. John W. Oliver (D-MA), the Consolidated Appropriations Act, 2010 (H.R. 3288) would include funding for abortion in the District of Columbia, and funding more broadly for needle exchange programs, domestic partner benefits, and medical marijuana programs. The bill also replaced abstinence education with funding for new “comprehensive” sex-ed programs.

(Passed 12/10/2009, 221 yeas to 202 nays, Roll Call No. 949)

FRC Action and CitizenLink Opposed this Bill.

11. Rule on Senate Health Care Bill

Sponsored by Rep. Louise Slaughter (D-NY), this rule (H.Res. 1203) governed House debate on the Senate health care bill, the Patient Protection and Affordable Care Act (H.R. 3590), and the Reconciliation Act of 2010 (H.R. 4872). The health care bill contained provisions allowing

federal funding for elective abortion in several new health care programs and provided federal tax credits for health plans that cover elective abortion. In addition, the health bill contained limited conscience protections for health care entities, and also contained provisions that could be used to ration health care services.

(Passed 3/21/2010, 224 yeas to 206 nays, Roll Call No. 163)

FRC Action and CitizenLink Opposed this Rule.

12. Final Vote on Health Care Bill and Abortion Funding

The House voted on the Senate health care bill, the Patient Protection and Affordable Care Act (H.R. 3590), that contained provisions creating several new health care programs that by-pass the Hyde amendment restrictions on directly funding elective abortion and provided federal tax credits for health plans that cover elective abortion. The abortion funding restrictions (Stupak-Pitts amendment) and conscience protections (Stupak amendment) originally passed in the House were replaced with provisions to fund health plans that cover abortion, require individuals to pay an abortion surcharge, and allow direct funding for abortion in multiple new health care plans.

The bill also contained a provision undermining conscience protections, and included provisions that could be used to ration health care services. The bill eventually became law (P.L. 111-148) on March 30, 2010.

(Passed 3/21/2010, 219 yeas to 212 nays, Roll Call No. 165)

FRC Action and CitizenLink Opposed this Bill.

13. GOP Motion to Remove Abortion Funding From Health Care

Offered by Rep. Dave Camp (R-MI), the Republican “motion to recommit with instructions” would have amended the Reconciliation Act of 2010 (H.R. 4872) to replace the abortion funding provisions just passed in the health care bill (H.R. 3590) with the Stupak amendment. This change would have prevented federal funding for abortion or federal tax credits for subsidizing health plans that cover abortion.

(Failed, 3/21/2010, 199 yeas to 232 nays, Roll Call No. 166)

FRC Action and CitizenLink Supported this Motion.

14. Revoking Current Policy on Openly Homosexual Individuals in the U.S. Military

Offered by Rep. Patrick Murphy (D-PA), this amendment (H.AMDT. 79) to the National Defense Authorization Act, 2011 (H.R. 5136) calls for abolishment of the ban on homosexuals serving openly in the U.S. Armed Services.

(Passed, 5/27/2010, 234 yeas to 194 nays, Roll Call No. 317)

FRC Action and CitizenLink Opposed this Amendment.

15. Defense Authorization Bill with “Don’t Ask, Don’t Tell” Removal

Sponsored by Rep. Ike Skelton, the National Defense Authorization Act, 2011 (H.R. 5136) contained Rep. Murphy’s amendment that calls for abolishment of the ban on homosexuals serving openly in the U.S. Armed Services.

(Passed 5/28/2010, 229 yeas to 186 nays, Roll Call No. 336)

FRC Action and CitizenLink Opposed this Bill.

16. Restricting Free Speech in Elections

Sponsored by Rep. Chris Van Hollen (D-MD), the Disclose Act (H.R. 5157) would limit freedom of speech of Americans with regard to political campaigns. The bill would expand reporting requirements regarding disclosure of advertisements by forcing an organization to identify itself up to three times in each disclaimer and also to list the organization’s five largest donors, even if those donors did not fund that particular advertisement.

(Passed 6/24/2010, 219 yeas to 206 nays, Roll Call No. 391)

FRC Action and CitizenLink Opposed this Bill.

12. Cloture on Federal Hate Crimes

The hate crimes amendment sought to pass legislation that would make violent crimes prosecutable as hate crimes when the victim is purported to be targeted because of his or her gender, disability, sexual orientation or gender identity. The amendment would undermine free speech and religious liberties by potentially targeting those who speak in opposition to homosexual behavior.

(Passed 7/16/2009, 63 yeas to 28 nays, Roll Call No. 233)

Judge Sonia Sotomayor was nominated on May 26, 2009 by President Barack Obama to serve as Associate Judge on the U.S. Supreme Court. 15. Reid Cloture Vote to Proceed to Health Care Reform

Offered by Senator Harry Reid (D-NV), this was the cloture vote to end debate and proceed to consideration of the health care bill that would eventually replace the text of the Service Members Home Ownership Tax Act of 2009 (H.R. 3590) with Senator Reid's substitute amendment (S.AMDT. 2786) containing the Patient Protection and Affordable Health Care Act. This vote paved the way to consideration of the Senate health care bill which contained accounting gimmicks for funding elective abortion in private plans and allowed direct funding for elective abortion in several new federal health programs.

(Passed 11/21/2009, 60 yeas to 39 nays, Roll Call No. 353)

FRC Action and CitizenLink Opposed this Motion.

Oliver (D-MA), the Consolidated Appropriations Act, 2010 (H.R. 3288) included federal funding for abortion in the District of Columbia, funding for needle exchange programs, domestic partner benefits and medical marijuana programs. The bill also removed abstinence education and funded questionable new sex-ed programs.

19. Cloture on Reid Managers Amendment with So-Called Abortion Compromise

The Senate agreed on the cloture motion that required 60 votes to end debate and proceed to an up or down vote on the manager's amendment (S.AMDT. 3276) offered by Senator Harry Reid (D-NV). The manager's amendment contained several changes to his health care substitute amendment (S.AMDT. 2786) that amended a bill originating in the House (H.R. 3590). The manager's amendment would replace the public option with a federal program to contract with private health plans that could cover elective abortion, would allow private plans in the newly created state exchanges to cover elective abortion, would subsidize such plans with tax credits, and would require participants in these plans to pay an abortion surcharge. The amendment contained no restrictions on federal funding for abortion as was contained in the Nelson-Hatch amendment (S.AMDT. 2962). Instead, it would allow direct funding for abortion in community health centers, health co-ops and the federal high risk pool program.

(Passed 12/21/2009, 60 yeas to 40 nays, Roll Call No. 385)

FRC Action and CitizenLink Opposed this Motion.

20. Cloture on Patient Protection and Affordable Care Act

The senate agreed on the procedural motion that required 60 votes to close debate and proceed to a final up or down vote on the Senate version of the health care bill, the Patient Protection and Affordable Care Act (H.R. 3590). The health care bill contained provisions to provide tax credits for health plans that cover elective abortion and directly fund abortion in new health care programs. The bill lacked conscience protections for health care entities and contained provisions that could be used to ration health care.

(Passed 12/23/2009, 60 yeas to 39 nays, Roll Call No. 395)

FRC Action and CitizenLink Opposed this Motion.

21. Final Vote on Health Care with Abortion Funding

Sponsored by Senator Harry Reid (D-NV), the final version of the Senate Patient Protection and Affordable Care Act (H.R. 3590) contained provisions creating several new health care programs, by-passing the Hyde amendment restrictions on directly funding elective abortion, and provided federal tax credits for health plans that cover elective abortion. The abortion funding restrictions (Stupak-Pitts amendment) and conscience protections (Stupak amendment) originally passed in the House were replaced with provisions to fund health plans that cover abortion, require individuals to pay an abortion surcharge, and allow direct funding for abortion in multiple new health care plans. The bill also contained a provision undermining conscience protections and contained provisions that could be used to ration health care services. President Obama eventually signed this bill into law (P.L. 111-148) on March 30, 2010.

(Passed 12/24/2009, 60 yeas to 39 nays, Roll Call No. 396)

FRC Action and CitizenLink Opposed this Bill.

22. Supporting D.C. Marriage Referendum

Offered by Senator Robert Bennett (R-UT), this amendment (S.AMDT. 3568) to the Health Care and Education Affordability Reconciliation Act of 2010 (H.R. 4872) would have suspended the issuance of marriage licenses to same-sex couples in the District of Columbia until a referendum or initiative was voted on by D.C. residents.

(Failed, 3/25/2010, 36 yeas to 59 nays, Roll Call No. 89)

FRC Action and CitizenLink Supported this Amendment.

23. Cloture on Restricting Free Speech in Elections

The cloture vote on the motion to proceed to debate on the Disclose Act (S. 3628) failed. Sponsored by Senator Charles Schumer (D-NY), the Disclose Act would limit freedom of speech of Americans with regard to political campaigns. The bill would expand reporting requirements regarding disclosure of advertisements by forcing an organization to identify itself up to three times in each disclaimer, and also list the organization's five largest donors even if those donors did not fund that particular advertisement.

(Failed 7/27/2010, 57 yeas to 41 nays, Roll Call No. 220)

FRC Action and CitizenLink Opposed this Motion.

24. Confirmation of Elena Kagan to the U.S. Supreme Court

Elena Kagan, President Barack Obama's nominee to the U.S. Supreme Court, had a radical political and liberal history prior to her nomination. As a political operative in the Clinton White House, she rewrote scientific evaluations by the American College of Obstetricians and Gynecologists on partial birth abortion to fit within her pro-abortion views. As Dean of Harvard Law School, her pro-homosexual views led her to restrict military recruitment on Harvard Law School's campus. As President Obama's Solicitor General, she sabotaged the defense of our federal marriage law and of the current military policy on homosexuals serving openly in the U.S. military.
